Clicking the inbox will bring up the Member Portal ticketing system where members can message a NALC HBP Representative.

Member Access Portal

In the fast-paced technology driven world we live in today, it is more important than ever to have the information you need accessible when you need it. Use the Member Access Portal app to access your health care benefit information while on the go. Once registered, get real-time deductible and out-of-pocket amounts, or communicate with NALC representatives directly through the app. This app includes direct sign-on links to all of our vendors, including Cigna®, Hello Heart®, Health Equity® and Amwell®. Hinge®, Hello Heart®, Health Equity® and Amwell®. Your personal health information is stored in a single, safe, password-protected place accessible by only you or your designated personal representative.
